ABOUT

An undergraduate Computer Science student at University of Indonesia with a high motivation and keen interest in technology. Eager to learn, practice, and grow. Competent in analytical thinking and time management skills. I believe I am able to make a meaningful impact while continuously expanding my knowledge and capabilities. I am excited for the opportunities that lie ahead!

PROJECTS

- [LigaPass](#)
Football Ticketing Platform
 - Built a full-stack web application paired with a Flutter mobile client for purchasing and managing football match tickets
 - System supports multiple user roles: user, admin, and journalist, each with their own access and capabilities
 - Owned the profile module end-to-end, implementing full CRUD operations for user data across all three role types
 - Technologies: Django, Flutter, Tailwind CSS

- [MySawit](#)

- Palm Oil Plantation Management Platform**

- Built backend service for a palm oil plantation management platform covering authentication, plantation management, harvest logging, delivery tracking, and payroll processing
 - Owned the Harvest Management module, building the full submission and approval workflow
 - Developed harvester-side flow for logging daily harvests and viewing personal submission history
 - Built foreman-side dashboard to monitor all incoming harvests, update submission statuses, and filter records
 - Technologies: Spring Boot, Supabase, Next.js, React, TypeScript, Tailwind CSS

SKILLS

- **Programming Languages**

- Python, Java, JavaScript, Rust, Dart

- **Frameworks**

- Django, Flutter, Spring Boot, Next.js, React, Tailwind CSS

- **Tools**

- Canva, Microsoft Office, Git, Docker, Figma, Postman, Linux, PostgreSQL

- **Soft Skills**

- Communication, Team Coordination, Mentoring, Product Management, Business Development

ADDITIONALS

- **Languages**

- Bahasa Indonesia**

- Native or bilingual proficiency

- English**

- Full professional proficiency

- **Certifications**

- EFSET English Certificate 70/100 (C1 Advanced)
 - Python Developer Certificate by Sololearn
 - Introduction to Java Certificate by Sololearn
